WORK EXPERIENCE

B2B Business Development & Account Executive (Commercial & Operations) Mar 2025 – Present

Allegens Co., Ltd.

- Connected with and managed partnerships across **more than 60 international (India/global) and domestic manufacturers**, driving nearly **\$800,000+ USD** in commercial revenue within a lean two-person team.
- Led high-stakes commercial discussions, pitching product solutions and aligning contract terms directly with Senior Directors, Department Managers, and external partners during on-site visits.
- Acted as the primary cross-functional liaison across Sales, Regulatory Affairs, Import-Export, and Finance, ensuring 100% SLA adherence on contract delivery and zero compliance slippage.
- Built a centralized client tracking and order dashboard on Google Sheets, streamlining cross-team data sync and increasing on-time task delivery by 50%.
- Standardized commercial documentation and client lifecycle workflows, reducing information retrieval time by 60% for mission-critical compliance files.

PROJECTS & CONSULTING

Business Consulting & Solution Design Projects — Techcamp Co., Ltd. (Apr 2026 – Present)

Digital Transformation & E-Commerce Strategy — Muong Khuong Chili Sauce (OCOP) 2026

- Conducted Gap Analysis (AS-IS manual order taking vs. TO-BE digital ecosystem) to identify revenue leakage and order fulfillment delays.
- Formulated the comprehensive Business Requirements Document (BRD) and designed high-converting checkout flows to optimize the sales funnel and reduce cart drop-offs.
- Proposed a digital transformation roadmap and technology transition plan to modernize regional enterprise sales channels.

FinTech Solution & Commercial Viability — Personal Finance App

2026

- Conducted market research and user retention analysis to identify market demand and define key customer personas.
- Modeled end-to-end user workflows using BPMN 2.0 and scoped functional requirements (SRS) to ensure technical feasibility and commercial viability.
