PROFESSIONAL SUMMARY

Business Analyst with a distinctive cross-domain background: a Bachelor of Pharmacy degree (Graduated with Distinction) paired with 2 years of B2B Healthcare & Process Optimization experience. Skilled in eliciting requirements, gap analysis (AS-IS vs TO-BE), modeling workflows (BPMN 2.0, UML Activity/Sequence Diagrams), writing technical specifications (URD/BRD, SRS, Business Rules), wireframing on Figma/draw.io, supporting SIT/UAT testing, and applying AI to accelerate documentation & mock data. Proven track record of cutting data search time by 60% and raising on-time delivery by 50%.

CORE COMPETENCIES

- | | | |
|--|---------------------------------------|--------------------------------------|
| - URD / BRD / SRS & Business Rules | - BPMN 2.0 & UML (Sequence, Activity) | - Use Cases & User Stories (Gherkin) |
| - Gap Analysis (AS-IS vs TO-BE) | - Wireframing & UX (Figma / draw.io) | - SIT / UAT Support & Test Cases |
| - AI-Assisted BA (Prompts & Mock Data) | - Advanced Excel, SQL & Apps Script | - Health Tech Domain & TOEIC 860 |

WORK EXPERIENCE

- B2B Sales Executive (Process & Systems Improvement)**

Mar 2025 – Present

Allegens Co., Ltd. (B2B Pharmaceutical & Healthcare) – TP. Hồ Chí Minh
 - Requirement Elicitation & Domain Liaison:** Acted as cross-functional liaison across Sales, Drug Regulatory Affairs (Đăng ký thuốc), Logistics, and Accounting to elicit requirements and map end-to-end B2B healthcare compliance workflows.
 - Document System Redesign:** Standardized document taxonomy and naming conventions across departments, **cutting data retrieval time by 60%** (from 2–4h down to <30s).
 - Automated Tracking Engine:** Built automated tracking on Google Sheets linked with Google Apps Script triggers, synchronizing international contract milestones (MO–M9) with automatic T–3 payment deadline alerts.
 - Cross-Department SLA & UAT:** Established standardized handover checklists and assisted user acceptance testing (UAT), eliminating handoff errors and **raising on-time delivery (SLA) by 50%**.

BUSINESS ANALYST PROJECTS

- Personal Finance Fintech App — “Where Did My Money Go?”**

2026

BA Training Program — Techcamp Co., Ltd.
 - Elicited user requirements, defined system scope, and mapped stakeholder expectations for 18–35 demographic.
 - Modeled end-to-end BPMN 2.0 workflow & UML sequence flow for automated budget threshold alerts (80% & 100% cap limits).
 - Authored complete SRS document (FRD/NFR), Gherkin User Stories, and defined SIT/UAT validation scenarios.
- Digital Transformation — Muong Khuong Chili Sauce (OCOP E-Commerce)**

2026

BA Training Program — Techcamp Co., Ltd.
 - Analyzed AS-IS traditional offline selling process vs. TO-BE automated digital ordering pipeline.
 - Authored comprehensive URD/BRD covering business rules (tiered shipping, dynamic QR validation, stock alert threshold).
 - Designed interactive 1–page checkout wireframes on Figma for seamless UX and automated payment integration.

EDUCATION & CERTIFICATIONS

- Bachelor of Pharmacy (Dược Sĩ Đại Học)**

2019 – 2024

Nguyen Tat Thanh University
 - Academic Rank:** Very Good (Tốt nghiệp loại Giỏi) | **GPA:** 3.48 / 4.0
 - English Proficiency:** TOEIC 860 (Certificate Oct 2024)
